YUKI GOSEI KOGYO has been awarded with Gold rating by EcoVadis for its achievements in the field of Corporate Social Responsibility (CSR).

YUKI GOSEI KOGYO CO., LTD is a Japanese manufacturer of fine chemicals and continuously assessed by rating agencies like EcoVadis for its policies and practices in the areas of Environmental Protection, Labor & Human Rights, Ethics and Sustainable Procurement. The new Gold rating puts the company within the top 6% of all currently rated EcoVadis members.

The assessment has been conducted by EcoVadis, an independent and trusted provider of a shared sustainability platform, which assesses organizations and businesses, using its unique CSR rating methodology that provides detailed insight into environmental, social and ethical risks across 200+ purchasing categories and 160+ countries. The CSR activities of a company are comprehensively assessed in four areas: Environment, Labor Practices & Human Rights, Ethics, and Sustainable Procurement.

YUKI GOSEI KOGYO is working with EcoVadis since 2015 and has also embraced other organizations such as the Pharmaceutical Supply Chain Initiative (PSCI), the Supplier Ethical Data Exchange (SEDEX) and the Together for Sustainability (TfS) initiative.

Based on our "Medium-Term Management Plan" announced on 15th May 2020, we will continue to pursue social and environmental sustainability by further improving the management and the quality culture of our company and ensure stable and secure supply chains for our customers and suppliers.
