YUKI GOSEI KOGYO awarded EcoVadis Gold Medal for CSR performance in 2024

YUKI GOSEI KOGYO has been awarded with Gold rating by EcoVadis for its continuing progress in the field of Corporate Social Responsibility (CSR).

YUKI GOSEI KOGYO CO., LTD is a Japanese manufacturer of fine chemicals and continuously assessed by CSR organizations like EcoVadis for policies and practices in the areas of Environmental Protection, Labor & Human Rights, Ethics and Sustainable Procurement. The recent Gold rating puts our company reliably within the top 5% of all currently rated EcoVadis members.

EcoVadis is an independent and trusted provider of a shared sustainability platform, which assesses organizations and businesses, using its unique CSR rating methodology that provides detailed insight into environmental, social and ethical risks across 220+ industry categories and 180+ countries. The CSR activities of a company are comprehensively assessed in four areas: Environment, Labor Practices & Human Rights, Ethics, and Sustainable Procurement.
